## 2. Swap to BGC

BGS → BGC swap has started from April 2022.

Regarding the current exchange, it will be a swap only with BGC (HMC).

After listing BGC (ERC20) on major exchanges in the future, we plan to swap it after the circulation volume increases.

For those who have BGS without swapping to BGC until then, we will be able to swap to ERC20 at the time of BGC swap.

### 3. BGC (HMC)

In addition to listing to Meta Earth Ex, we also offer a Staking Service at Hammer Wallet (<https://walletpro.hammermining.com>).

We have 3 types of Staking Service, so please use them.
