1. Exchange to BGC

BGS → BGC exchange will start from April 2022.

Regarding the exchange at this time, it will be granted only by BGC (HMC).

BGC (ERC20) will be listed on multiple exchanges in the future and will be exchanged after the distribution volume increases.

For those who have BGS without replacing it with BGC until then, we plan to give both HMC and ERC20 at the time of BGC replacement.

2. BGC (HMC)

In addition to listing to Meta Earth Ex, we also offer a Staking Service at Hammer Wallet (<https://walletpro.hammermining.com>).

We have 3 types of Staking Service, so please use them.

3. BGC (ERC20)

- Bit Global (formerly Bithumb Global): Listing in December 2020
Exchange Volume (24h): \$ 46,170,949.84 (7/4)

Bit Global is an innovative trading platform. Bit Global provides a series of services such as digital currency trading, digital asset issuance, blockchain project hatching, decentralized finance, etc. to meet the different demands of customers all over the world based on abundant resources and technology. As a financial institution premised on compliance, Bit Global has financial entities in more than a dozen countries and regions such as the United Kingdom, Canada, Australia, Japan and Hong Kong, and will gradually open regional decentralized exchanges in the future. Bit Global gives our customers a safe, impartial, open and efficient trading experience with the support of ordering and liquidity sharing technology. Beyond the technical side, Bit Global is more focused on discovering superior assets and innovating business models, growing with our customers and working hand in hand to create the future.
